

Why are so many strange and damaging decisions being made by the current administration?

Policy

Open boarder message sent to Central America.

Free health care, free school, free housing, stimulus checks.

Emphasize Fear of covid children.

Require making as long as possible.

Effect

Caravans Form

Board er Crisis brings in unskilled workers.

Raise price of gas 5,000 blue collar jobs lost.

School Closed.

Fear helps delay economics recovery.

Purpose

Bring in people for low paid jobs and to vote Democrat now/future

To increase numbers getting thru employers of blue-collar workers to have people do jobs for less.

Force public to accept higher price for solar.

Teachers to get more pay for their contact with children and less education decision making.
